## Outdoor Club Champs 2011

The 2011 outdoor club champs seemed to have had more than its fair share of weather this year. It was nice that the black sky and heavy downpour waited until change of distance though, and in the main, we managed to stay dry and have a nice cup of tea while we waited for it to stop. However I think we could have all done with a little less force to the breeze that blew up the field!

The spot prizes and the 'surprise' prizes, with their reward of a KitKat or Chocolate Orange were incredibly popular. The newer archers have certainly taken on the curious Westcott love of all things chocolate!

A huge 'thank you' to Adrian, and congratulations on arranging such a well attended, and well run day. I think we all loved that the rewards for the 'spot' prizes just didn't run out!

Also, 'thank you' to John Newton and Dave Collins for helping out the newer archers with the scoring.
